

GRI launches 'A Home for the Holidays' campaign

Garfield's Rescue, Inc.'s (GRI) recently announced a new foster space has been donated to house foster kitties as they await their "forever" homes.

This new space needs to be outfitted to accommodate cat needs, reported president Ann Bedford. GRI needs help to raise \$75,000 towards the purchase of medical equipment and safe care supplies for the new space.

Equipment would include exam tables, carts, condos, refrigerator, washer, dryer, storage cabinets, office furniture, computer and printer, said Bedford.

"The goal of GRI is to eliminate the suffering of community/homeless cats on the Northern Neck of Virginia," she said. "We are on a mission to ensure that the hundreds of cats and kittens in our care have a warm and safe
