### DOLLAR AMOUNT DISTRIBUTED IN 2025: \$1,107,087

One of the ways River Counties Community Foundation (RCCF) allocates funds to community nonprofits is through the annual Community Impact Grants program. Over the years, even as RCCF's endowed assets grew, the needs of the community continued to exceed available funding. RCCF decided to react proactively to this situation by implementing an annual fund initiative, known as **Together.Stronger.**

### HOW YOU CAN HELP

**Together.Stronger.** provides an easy and effective avenue for those who want to give to have a broad impact. These funds support RCCF operations, the Community Impact Grants program, and, importantly, meeting unforeseen emergencies. The COVID pandemic is one of the most prominent of these emergencies. Natural disasters are another. RCCF makes it easy to give, too. **Go to [RiverCountiesCF.org](https://www.RiverCountiesCF.org) to make your donation online.** Thank you for supporting RCCF and causes that matter.

Nonprofits that received grants in 2025 are listed below their impact category.
